John 14:12-14

12 | tell you the truth, anyone who has faith in me will do what I have been doing. He will do even greater things than these, because I am going to the Father.

13 And I will do whatever you ask in my name, so that the Son may glorify the Father.

14 You may ask me for anything in my name, and I will do it.

From the Principal

Welcome to all our new students and their families and welcome back to our existing students and their families. We also welcomed a number of new staff to the College. In our teaching faculty we welcome Mrs Brett (English/Drama) and Mr Litsberger (Maths/PE). To our non teaching staff, we welcome Mrs Ireland (Assistant Bursar), Mrs Burnett (Student Reception), Mr Gilsean (I.T. Manager), Mrs Bust (I.T. Support) and Mr O'Dea (Grounds and Maintenance). At this stage the enrolment at the College is around 460, an increase of 35 students from the end of 2011.

The grounds staff have been hard at work over the holidays on a number of projects. The taped construction areas represent the major work being done to upgrade the power supply to the property, so that further building projects can be undertaken. We are currently preparing a capital grant application for a new science facility. The new transformer and cabling over the property will enable this to proceed. The final major drainage improvement, to relieve the problem areas around the Prep and work shed, has proved to be successful. We thank our Maintenance Manager, Mr Edward and his staff, for all their work completed over the holidays, despite the presence of major contractors on site. The Prep teachers and students have been enjoying their new playground.

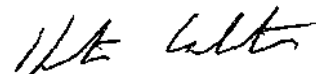

2011 Year 12 Results

All of our students who applied for University places received their first preference.

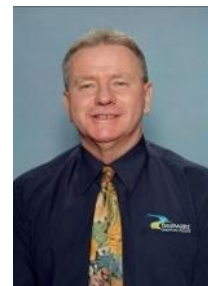

Our top students received places in Medicine and Dentistry, whilst others received offers in Engineering, Education and a variety of other courses. Although, not all of our students chose to qualify for an O.P., for those who did, all scores were between 4 and 11, except for one score.

To all our new and existing parents please note that our PARENT WELCOME EVENING is on Thursday 2nd February at 5.30pm. A complimentary barbeque will be followed by 'meet the teacher' presentations in the classrooms. A flyer will be sent home early in week 2 providing you with more details.

In His Service,

News from the P & F

P & F welcomes all the new and current parents and students to our school this year, 2012.

The first meeting for Term 1 is on 6 February 2012 at 4.30 pm at F1 classroom. All are welcome to attend P & F meetings throughout the year. We encourage all to parents to participate in our fundraising events.

The P & F meetings and events are scheduled in this year's school calendar. Funds raised are allocated to both primary and secondary for school resources e.g. New play equipment for prep, sports equipment for the secondary sports department.

We trust that this year will be a blessed one for all.
