# TUCKSHOP MENU 2012

## How to order

### PRIMARY STUDENTS

All items (including items from the *Over the Counter* menu) must be listed on the student's paper bag order. **Primary students are not permitted to purchase items over the counter at the tuckshop.** Paper bag orders should be placed in the class tuckshop box each morning which will then be taken to the tuckshop. The tuckshop box will then be delivered back to the class with the completed orders at morning tea and lunch times.

### SECONDARY STUDENTS & STAFF

Items from the *Pre-order Only* menu must be listed on a paper bag order and placed in the tuckshop order box (located on the bench between the tuckshop and library buildings) by **9:00am**. Tuckshop staff will collect all orders from the box at 9:00am. **Orders from the *Pre-order Only* menu cannot be placed after 9:00am.** Orders can be collected from the tuckshop servery at morning tea and lunch.

Secondary students/staff may also buy items from the *Over the Counter* menu at morning tea or lunch without pre-ordering, however please note these items are subject to availability and may sell out.

### Paper bag orders

- Separate paper bags should be used for morning tea and lunch orders.
- Use the format shown below to write out your order on each bag.
- Place money in each bag. **Please use correct change wherever possible.** This will greatly assist our tuckshop staff and volunteers in processing the large number of orders they receive as efficiently as possible. For families with multiple children, it would be appreciated if money could be placed in **each order bag separately** rather than in one bag for the whole family.
- Place paper bag in class tuckshop box (for primary students) or the tuckshop order box (for secondary students/staff).
